REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination, fails to anticipate or render obvious, an LCD panel including the limitations of a pixel electrode having pluralities of openings and X-shaped projections protruding from a surface of the pixel electrode, wherein the openings are disposed between the projections and an area enclosed by the X-shaped projections, the openings, and boundary of the pixel electrode has a planar shape of an equilateral trapezoid or an acute triangle (defined as a triangle in which all three angles are acute angles) as claimed in independent claim 1.

Further, the prior art, either singly or in combination, fails to anticipate or render obvious, an LCD panel including the limitations of a pixel electrode having pluralities of openings and X-shaped projections protruding from a surface of the pixel electrode, wherein the openings are disposed between the projections and an area enclosed by the X-shaped projections, the openings, and boundary of the pixel electrode has a planar shape of an equilateral trapezoid or an acute angle, and except for the X-shaped projections of each pixel electrode, each pixel electrode is in direct contact with the insulating substrate as claimed in independent claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
